

**ALEXIS H. KIM, M.D.**

**CURRICULUM VITAE**

540 University Ave., Suite 200  
Palo Alto, CA 94031  
(650) 322-1900  
Fax: (650) 322-1730

2581 Samaritan Dr., Suite 302  
San Jose, CA 95124  
(408) 358-2500  
Fax: (408) 356-8954

**EDUCATION:**

1981-85                      University of California, Los Angeles  
Los Angeles, CA  
B.S., Chemistry

1985-89                      Vanderbilt University School of Medicine  
Nashville, TN  
M.D., Medicine

**TRAINING:**

1989-93                      Temple University School of Medicine  
Philadelphia, PA  
Residency, Obstetrics and Gynecology

1993-95                      Yale University of Medicine  
New Haven, CT  
Fellowship, Reproductive Endocrinology and Infertility

**HONORS/AWARDS:**

1981                              Alumni Scholarship, UCLA  
1981-84                         Chancellor's Scholarship, UCLA  
1983                              Marhoeffter Scholarship, UCLA  
1984                              College Honors Summer Research Stipend, UCLA  
1986                              Summer Student Research Program in Diabetes,  
Vanderbilt University School of Medicine  
1993                              Outstanding Resident in Gynecologic Endoscopy,  
Dept. of OB/GYN, Temple University  
1993                              Best Resident Research Award, Dept. of OB/GYN,  
Temple University  
1993                              S. Leon Israel Award for Outstanding Resident  
Research, Philadelphia Obstetrical Resident  
Research, Philadelphia Obstetrical Society

2000 Life Member, National Registry of Who's Who in America

**LICENSURE:**

1991	Pennsylvania
1993	Connecticut
1995	California

**CERTIFICATION:**

1990	Diplomate of the National Board of Medical Examiners
1997	Diplomate of the American Board of Obstetrics and Gynecology
1999	Diplomate of the American Board of Obstetrics and Gynecology, Division of Reproductive Endocrinology and Infertility

**APPOINTMENTS:**

1993-94	Postdoctoral Associate, Department of Obstetrics and Gynecology, Division of Reproductive Endocrinology and Infertility, Yale University School of Medicine, New Haven, CT
1994-95	Instructor, Department of Obstetrics and Gynecology, Division of Reproductive Endocrinology And Infertility, Yale University School of Medicine, New Haven, CT

**HOSPITAL APPOINTMENTS:**

1993-1995	Attending Staff, Yale-New-Haven Hospital, New Haven, CT
1993-1995	Attending Staff, Hospital of St. Raphael, New Haven CT
1993-1995	Attending Staff, St. Vincent's Hospital, Bridgeport, CT
1995-1997	Medical Staff, Sereno Surgery Center, Los Gatos, CA
1995-present	Medical Staff, Good Samaritan Hospital, San Jose, CA
1995-present	Medical Staff, Stanford University Hospital, Stanford, CA
1995-present	Medical Staff, El Camino Hospital, Mountain View, CA
1998-present	Medical Staff, Community Hospital of Los Gatos, Los Gatos, CA
2000-present	Medical Staff, Silicon Valley Surgery Center, Los Gatos, CA

**PROFESSIONAL ORGANIZATIONS:**

1985-1989	American Medical Student Association
1985-1990	American Medical Association
1993-present	American Association of Gynecologic Laparoscopists

1993-present	American Society for Reproductive Medicine
1995-present	Pacific Coast Fertility Society
1996-present	San Mateo County Medical Association
1996-present	Santa Clara County Medical Association
1996-present	Shufelt Society
1998-present	San Francisco Gynecological Society
1998-present	Fellow, American College of Obstetrics and Gynecology
1999-present	Society for Reproductive Endocrinology and Infertility

### PROFESSIONAL ACTIVITIES:

1997-present	Ad hoc reviewer. <i>Fertility and Sterility</i> .
1997-present	Ad hoc reviewer. <i>Human Reproduction</i> .
2003-present	Ad hoc reviewer. <i>Ultrasound in Obstetrics and Gynecology</i>

**ABSTRACTS:**

1. Salameh W, **Kim A**, Yazigi R, Hudson A, Soprano K. Cyclin A and B expression in the rat testis: transcript sizes and response of mRNA levels to hypophysectomy. Presented at the Endocrine Society, Seventy Forth Annual Meeting, San Antonio, TX, June 24–27, 1992.
2. **Kim AH**, Khanna A, Behrman HR. Heat shock protein (HSP) induction in human granulosa-luteal cells. Presented at the American Fertility Society, 50<sup>th</sup> Annual Meeting, San Antonio, TX, November 5 – 10, 1994.

3. Lee G, **Kim AH**, Keltz, M, Ward D. Simultaneous hybridization of X and Y probes demonstrate absence of sex selection in human serum albumin gradients. Presented at the American Fertility Society, 50<sup>th</sup> Annual Meeting, San Antonio, TX, November 5-10, 1994.
4. **Kim AH**, Khanna A, Olive DL, Behrman HR. Cytokine induction of heat shock protein (HSP) in human granulosa-luteal cells. Presented at the Society for Gynecologic Investigation, 42<sup>nd</sup> Annual Meeting, Chicago, IL, March 15-18, 1995.
5. **Kim AH**, Zreik T, Olive DL, Jones EE. Oral progesterone lozenges for luteal support. Presented at the American Society for Reproductive Medicine, 51<sup>st</sup> Annual Meeting, Seattle, WA, October 7 –12, 1995.
6. Keltz MD, Olive DL, **Kim AH**, Arici A. Sonohysterographic screening for recurrent pregnancy loss. Presented at the American Society for Reproductive Medicine, 51<sup>st</sup> Annual Meeting, Seattle, WA, October 7 – 12, 1995.
7. Glock JL, **Kim AH**, Hulka, JF, Hunt RB, Trad F, Brunsted JR. Reproductive outcome following tubal reversal in women > age 40. Presented at the American Society for Reproductive Medicine, 51<sup>st</sup> Annual Meeting, Seattle, WA, October 7 –12, 1995.
8. Keltz M, Peck L, **Kim AH**, Liu S, Arici A, Olive DL. Large bowel to pelvic sidewall adhesions associated with chronic pelvic pain: Combined retrospective and controlled prospective analysis. Presented at the World Congress of Gynecologic Endoscopy, American Association of Gynecologic Laparoscopists, 24<sup>th</sup> Annual Meeting, Orlando, Florida, November 8 – 12, 1995.
9. Adamson GD, **Kim AH**. Initial experience with fallopscopy. Presented at the Second International Symposium and Hands-On Workshop on Microendoscopy in Gynecology, American Association of Gynecologic Laparoscopists, San Francisco, CA, July 18 21, 1996.
10. Keltz MD, Blumrick R, **Kim AH**, Lindheim SR, Olive DL, Arici A. Sonohysterography for the preoperative evaluation of uterine myomas. Presented at the American Society for Reproductive medicine, 52<sup>nd</sup> Annual Meeting, Boston, MA, November 2 – 7, 1996.
11. Adamson GD, **Kim AH**, Pasta DJ. Better quality published studies report higher pregnancy rates than poorer quality studies. Presented at the American Society for Reproductive Medicine, 52<sup>nd</sup> Annual Meeting, Boston, MA, November 2 – 7, 1996.
12. **Kim AH**, McKay H, Keltz MD, Nelson HP, Adamson GD. Sonohysterographic screening prior to in vitro fertilization (IVF). Presented at the Pacific Coast Fertility Society, 45<sup>th</sup> Annual Meeting, Indian Wells, CA, April 10-13, 1997.

13. Hubbard J, Jablonsky M, Andonian RW, **Kim AH**, Nelson HP, Adamson GD. Successful fertilization, full term pregnancy, and birth after intracytoplasmic sperm injection of a single in vitro matured oocyte with testicular sperm. Presented at the Pacific Coast Fertility Society, 46<sup>th</sup> Annual Meeting, Indian Wells, CA, April 22-26, 1998.
14. Jablonsky M, Hubbard J, **Kim AH**, Nelson HP, Adamson GD, Gvakharia M. The legal, ethical, and technical issues encountered in a case involving retrieval and cryopreservation of epididymal sperm 24 hours postmortem. Presented at the 16<sup>th</sup> World Congress on Fertility and Sterility and 54<sup>th</sup> Annual Meeting of the American Society for Reproductive Medicine, San Francisco, CA October 4-9, 1998.
15. **Kim AH**, Gvakharia M, Hubbard JL, Jablonsky MS, Nelson HP, Adamson GD. Pregnancy and implantation rates following blastocyst development. Presented at the 16<sup>th</sup> World Congress on Fertility and Sterility and 54<sup>th</sup> Annual Meeting of the American Society for Reproductive Medicine, San Francisco, CA, October 4-9, 1998.
16. Gvakharia M, Jablonsky M, Hubbard J, **Kim AH**, Nelson HP, Adamson GD. Blastocyst Development After Conventional In Vitro Fertilization and Intracytoplasmic Sperm Injection. Presented at the Pacific Coast Reproductive Society 47<sup>th</sup> Annual Meeting, :La Costa Resort and Spa, Carlsbad, CA April 14-18, 1999.
17. Gvakharia M, Hubbard J, Jablonsky M, **Kim AH**, Nelson HP, Adamson GD. In Vitro Blastocyst Formation in Two Embryo Culture Systems. Presented at the Conjoint Annual Meeting and Postgraduate Course, American Society for Reproductive Medicine, Canadian Fertility and Andrology Society, Toronto, Ontario, Canada, September 25-30, 1999.
18. **Kim AH**, Rone HR. Cost of Sonohysterographic (SHG) versus Hysteroscopic (HS) Screening Prior to In Vitro Fertilization (IVF). Presented at the 62<sup>nd</sup> Annual Meeting of the American Society for Reproductive Medicine, New Orleans, LA, October 21-25, 2006.

#### **CLINICAL STUDIES:**

1. Principal investigator: Multicenter study to determine the efficacy of Oxiplex <sup>TM</sup> Barrier Film, which is indicated for use to prevent adhesion formation after laparoscopic gynecological surgery. (FzioMed, San Luis Obispo, CA)

2. Principal investigator: Multicenter study to determine efficacy and safety AF0157 for the reduction of post-surgical adhesions after operative laparoscopy. (Alliance Pharmaceutical, San Diego, CA)

### **PRESENTATIONS:**

1. “Cyclin A and B expression in the rat testis: transcript sizes and response of mRNA levels to hypophysectomy”, 32<sup>nd</sup> Annual Isador Forman Postgraduate Course, Temple University School of Medicine, Department of Obstetrics, Gynecology, and Reproductive Sciences, Philadelphia, PA, December 4, 1992.
2. “Hysteroscopic Management of DUB”, Operative Hysteroscopy Course, Yale University, department of Obstetrics and Gynecology, New Haven, CY, April 16, 1994.
3. Use of GnRH agonists with Add-Back Therapy”, Grand Rounds, Yale University Affiliated Hospitals Invited Lecturer, 1994.
4. “Role of Anti-Sperm antibodies in Infertility”, Grand Rounds, Yale University Affiliated Hospitals Invited Lecturer, 1994.
5. “Ethical Issues in Infertility”, Grand Rounds, Yale University Affiliated Hospitals Invited Lecturer, 1995.
6. “Diagnostic Imaging in Infertility”, Grand Rounds, Santa Clara Valley Medical Center, Invited Lecturer, San Jose, CA, February 15, 1996.
7. “Abnormal Puberty”, The Osler Institute, OB/GYN Board Review Course, Invited Lecturer, San Francisco, CA, March 25, 1996.
8. “Impact of New technology on the Diagnostic and Treatment Paradigms of Endometriosis”, Invited lecturer, Endometriosis Association, El Camino Hospital, Mt. View, CA, June 12, 1996.
9. “Infertility”, Summer Course, Invited Lecturer, San Jose State University, San Jose, CA, July 23 and July 31, 1996.
10. “Abnormal Puberty”, Grand Rounds, Santa Clara Valley Medical Center, Invited Lecturer, San Jose, CA, December 12, 1996.
11. “Abnormal Sexual Differentiation”, Grand Rounds, Santa Clara Valley Medical Center, Invited Lecturer, San Jose, CA, January 23, 1997.

12. “Abnormal Sexual Differentiation” and “Abnormal Puberty”, The Osler Institute, OB/GYN Board Review Course, Invited Lecturer, San Francisco, CA, March 25 & 27, 1997.
13. “Amenorrhea”, Grand Rounds, Santa Clara Valley Medical Center, San Jose, CA, November 20, 1997.
14. “Endometriosis and the Immune System”, Invited Lecturer. Endometriosis Association, John Muir Hospital, Walnut Creek, CA, January 22, 1998.
15. “IVF: New Developments”, Continuing Medical Education, Invited Lecturer, Alexian Brothers Hospital, San Jose, CA, January 27, 1998.
16. “Genetic and Reproductive Technology”, Invited Lecturer, UC Berkeley, Berkeley, CA, February 23, 1998.
17. “IVF / New Developments”, Continuing Medical Education, Invited Lecturer, El Camino Hospital, Mountain View, CA, November 23, 1998.
18. “Abnormal Sexual Differentiation”, Grand Rounds, Santa Clara Valley Medical Center, San Jose, CA, December 14, 2000, January 17, 2002.
19. “Reproductive Aging”, Grand Rounds, Saint Louise Medical Center, Gilroy, CA, July 10, 2001.
20. “Medical Management of Endometriosis”, Invited Lecturer, Endometriosis Association, El Camino Hospital, Mountain View, CA, September 19, 2001.
21. “Abnormal Sexual Differentiation” and “Abnormal Puberty”, The Osler Institute, OB/GYN Board Review Course, Invited Lecturer, San Francisco, CA, April 6, 2002.
22. “Polycystic Ovarian Syndrome: A Clinical Perspective”, Grand Rounds, Santa Clara Valley Medical Center, San Jose, CA, May 23, 2002.
23. “Preimplantation Genetic Diagnosis”, Invited Lecturer, Shufelt Society, April 15, 2004.
24. “Myomas and Infertility”, Grand Rounds, Santa Clara Valley Medical Center, San Jose, CA, January 6, 2005.
25. “New Approaches to Ovulation Induction in PCOS”, Grand Rounds, Santa Clara Valley Medical Center, San Jose, CA, December 15, 2006.
26. “Abnormal Sexual Differentiation”, Grand Rounds, Santa Clara Valley Medical Center, San Jose, CA, January 12, 2006.

27. “Fertility Preservation”, Grand Rounds, Santa Clara Valley Medical Center, San Jose, CA, January 11, 2007.

**MEDIA ACTIVITIES:**

- November 1997: Interview – Channel 7 News, by Stacie Hendler. Comments on In Vitro Fertilization.
- February 1999: Interview – Channel 4 News, by Brenda Burdette. Comments on Egg Donation.
- August 2001: Live Interview – Tech TV. Comments on Stem Cell Research.
- April 2002: Interview – KOHL 89.3 Radio, by Matthew Graf. Comments on Infertility.
- February 2005: Live Interview – Channel 4 Morning News, by Darya Folsom. Infertility and In Vitro Fertilization.
- June 2005: Live Interview – Channel 4 Morning News, by Darya Folsom. Tubal Reversal.
- September 2005: Television show: Second Opinion, Peninsula Cable TV. Discussant on topic of In Vitro Fertilization.
- November 2005: Live Interview – Channel 4 Morning News, by Darya Folsom. Mind-Body Health and Infertility.
