

Curriculum Vitae

OF

**G. DAVID ADAMSON, M.D.
FRCSC, FACOG, FACS**

PERSONAL DATA

Place of Birth: Ottawa, Canada

Citizenship: American

Business Address: Fertility Physicians of Northern California
2581 Samaritan Drive, Suite 302
San Jose, California 95124

Advanced Reproductive Care, Inc.
540 University Avenue, Suite 250
Palo Alto, California 94301

DEGREES AND PROFESSIONAL QUALIFICATIONS

1965 Senior Matriculation, Burlington Central High School
Burlington, Ontario, Canada

1969 B.Sc. (Honors), Biological and Medical Sciences, Trinity College,
University of Toronto, Toronto, Canada

1973 M.D., Faculty of Medicine, University of Toronto, Toronto, Canada

1978 Fellow, Royal College of Surgeons of Canada

1980 Diplomate, American Board of Obstetrics and Gynecology

1982 Board Certified, Reproductive Endocrinology, American Board of
Obstetrics and Gynecology

1984 Fellow, American College of Surgeons

1988 Board Certified, Laser Surgery, American Board of Laser Surgery

LICENSES

1974	Licentiate of Medical Council of Canada, 1974
1974	College of Physicians and Surgeons of Ontario 1974, Resigned 1978
1978	California License

POSTGRADUATE TRAINING

June 14, 1973 - June 14, 1974	Straight Internship, Obstetrics and Gynecology, Toronto General Hospital, Toronto, Canada
July 1, 1974 - December 31, 1974	Assistant Resident, Surgery, Women's College Hospital, Toronto, Canada
January 1, 1975 - April 30, 1976	Assistant Resident, Obstetrics and Gynecology, Toronto General Hospital, Toronto, Canada
May 1, 1976 - June 30, 1976	Assistant Resident, Gynecological Oncology, Princess Margaret Hospital, Toronto, Canada
July 1, 1976 - December 31, 1976	Chief Resident, Obstetrics and Gynecology Wellesley Hospital, Toronto, Canada
January 1, 1977 - June 30, 1977	Chief Resident, Obstetrics and Gynecology, Toronto General Hospital, Toronto, Canada
July 1, 1977 - June 30, 1978	Fellow, Obstetrics and Gynecology, Toronto General Hospital, Toronto, Canada
July 1, 1978 - June 30, 1980	Fellow, Reproductive Endocrinology and Infertility Department of Gynecology and Obstetrics Stanford University School of Medicine, Stanford,

PROFESSIONAL APPOINTMENTS

1980 - Present	Active Staff, Good Samaritan Hospital, San Jose, California
1980 - Present	Active Staff, Stanford University Hospital, Stanford, California
1980 - 1984	Clinical Instructor, Department of Gynecology and Obstetrics, Stanford University School of Medicine, Stanford, California
1984 - 1992	Clinical Assistant Professor, Department of Gynecology and Obstetrics, Stanford University School of Medicine, Stanford, California
1988 - Present	Director, Fertility Physicians of Northern California Palo Alto and San Jose, California
1988 - Present	Director, Fertility and Reproductive Health Institute of Northern California, San Jose, California
1992 - 1995	Clinical Associate Professor, Department of Gynecology and Obstetrics, Stanford University School of Medicine, Stanford, California
1995 - Present	Clinical Adjunct Professor, Department of Gynecology and Obstetrics Stanford University School of Medicine, Stanford, California
1992 – Present	Associate Clinical Professor, University of California San Francisco School of Medicine, San Francisco, California
2004 – Present	Director, Valley Ambulatory Surgery Center, San Jose, California

PROFESSIONAL ACTIVITIES

American Society for Reproductive Medicine (Formerly *American Fertility Society*)

1977 – Present	Member and annual meeting program participant
1984 - 1995	Society Development Committee (Co-Chair 1989-1990; Chair 1991-1995)
1985 - 1989	Sessions Management Committee
1988 – 2000	State Legislative Monitor Press and Public Relations Committee
1989 - Present	Mental Health Professional Group Secretary (1989-1990) Vice-Chair (1990-1991) Chair-Elect (1991-1992) Chair (1992-1993) Executive (1989-1995) Postgraduate Course Chair (1989)
1994 - 1997	Member Subcommittee to Develop Evidence-Based Guidelines for the Assisted Reproductive Technologies
1996 - 1997	Program Committee Prize Poster Committee
1997 - 1998	Member, Board of Directors representing SRS
1998 -1999	Member, Board of Directors representing SART
1999	Faculty, Regional Postgraduate Courses
2001 – 2004	Member, Board of Directors
2002 - 2003	Chair, Finance Committee; Member, Executive Committee
2005-2006	Vice-President
2006-2007	President-elect (President 2008-2009)

2005-2007 **PROFESSIONAL ACTIVITIES – Continued**

Society for Assisted Reproductive Technology

1990 - 1994	Chair, Research Committee
1993, 1994, 1995, 2000	Postgraduate Course Faculty
1994 – 2005	Board Member
1995 - 1997	Secretary-Treasurer
1996 - 1997	Vice President-Elect
1997 - 1998	Vice President
1998 - 1999	President
1999 - 2000	Past-President
1999	Chair, SART Post Graduate Course
2001-2005	SART Representative to National Coalition for Oversight of the Assisted Reproductive Technologies (NCOART)
2003 – 2005	Chair, NCOART
2001 – 2005	SART International Committee Chair
2001 – Present	Representative to the International Committee Monitoring ART (ICMART)

PROFESSIONAL ACTIVITIES – Continued

Society of Reproductive Surgeons

1990 - 1991	Program Chairman
1991	Faculty, Regional Postgraduate Course, Critique of New Reproductive Surgeries
1992 - 1994	Member, Fellowship Committee
1994 – 2002	Board Member
1994 - 1995	Treasurer
1995 - 1996	Secretary
1996	Faculty, Regional Postgraduate Course
1997	Postgraduate Course Chair
1996 - 1997	Vice President - Elect
1995 - Present	Member, Research Committee
1997 - 1998	President
1998 – 1999	Past-President
1999	Postgraduate Course Faculty

American Association of Gynecologic Laparoscopists (AAGL)

1990 - 1992, 1994, } 1996 – 2003 }	Postgraduate Course Faculty and/or Annual Meeting Program Faculty
1993 - Present	Advisory Committee
1999 - 2001	Board of Trustees
2002 - 2003	Secretary
2003 – 2004	Vice President, Annual Meeting Program Chair
2004 – 2005	President
2005 – 2006	Past-President

PROFESSIONAL ACTIVITIES – Continued

Pacific Coast Reproductive Society (Formerly *Pacific Coast Fertility Society*)

1990	Program Chairman
1991 – 2001	Board of Directors
1994	Awards Chairman
1994 - 1996	Secretary
1996	Postgraduate Course Chair
1997	President – Elect
1998 - 1999	President
1999 - 2000	Past-President

Pacific Coast Obstetrical and Gynecological Society

1993	Symposium Faculty
1995	Caucus Long Range Planning Committee
1995 - 1996	Member, Program Committee
2002 – Present	Member, Industry Committee

San Francisco Gynecological Society

1986 - 1987 } 1992 - 1993 }	Chairman, Program Committee
1999 - 2000	President-elect
2000 - 2001	President
2001 - 2002	Past-President

American College of Obstetricians and Gynecologists

1990, 1992 - 94	Postgraduate Course Faculty
2005	Invited Speaker

PROFESSIONAL ACTIVITIES – Continued

National Institute of Child and Human Development (NICHD)

2003 - 2004 NIH Consultant, Clinical Initiatives

2004 – 2005 Member, Reproductive Medicine Network Consultation Committee

2004 – Present Member, CREST Selection and Review Committee

International Federation of Fertility Societies (IFFS)

2004 – Present Member, Audit Committee

Gynecologic Laser and Advanced Technology Society

1994 Postgraduate Course Faculty

Faculty, Operative Endoscopy Courses

1984 - 1995 CO₂ Laser Laparoscopy and Hysteroscopy in Gynecology, Course Director and Lecturer, Good Samaritan Hospital Laser Courses, (30)

1985 - 1995 Approximately 45 courses including:
Beckman Laser Institute, (Irvine, CA)
Houston Laser Institute, (Houston, TX)
Pacific Presbyterian Hospital, (San Francisco, CA)
Northwest Regional Hospital, (Margate, FL)
Salt Lake City Surgical Center (Salt Lake City, UT)
Northside Hospital, (Atlanta, Georgia)
Baggish and Marlow, (Washington, DC)

1985 - 1996 American Association of Gynecological Laparoscopists
(Santa Barbara, CA); (Fort Worth, TX)
University of Oregon (Portland)
Gynecologic Laser Society (Marco Island, FL)
Stanford Endoscopy Center for Training & Technology (Multiple courses)

PROFESSIONAL ACTIVITIES - Continued

Other Executive Positions, Professional Societies

1983 - 1994	Chairman, Laser Committee, Good Samaritan Hospital
1986 - 1987	Chairman, Insurance Review Committee, Santa Clara County Medical Society (Member 1981-1989)
1988 - 1992	Chairman, Laser Center Committee, Good Samaritan Hospital
1989 - 1991	Founding President, Bay Area Reproductive Endocrinologists Society
1989 - 1991	President, Peninsula Gynecological Society (Executive Committee 1985-1991)
1992 - 1995	Chairman, Center for Advanced Surgical Technology, Good Samaritan Hospital
1994 - 1997	Executive Committee, Sereno Surgery Center

Editorial Activities

1977 - 1983	Contributing Editor, <i>Canadian Doctor Magazine</i>
1986 - 1988	Contributing Editor, <i>Fertility Review</i>
1986 - Present	Ad Hoc Reviewer, <i>New England Journal of Medicine</i>
1987 - Present	Ad Hoc Reviewer, <i>Fertility and Sterility</i>
1988 - 1990	<i>Conceive Magazine</i>
1989 - 1991	<i>Medical Portfolio Audio Digest</i>
1992 - Present	Ad Hoc Reviewer, <i>American Journal of Obstetrics and Gynecology</i>
1992 - Present	Ad Hoc Reviewer, <i>Obstetrics and Gynecology</i>
1993 - Present	Ad Hoc Reviewer, <i>Journal of Reproductive Medicine</i>
1994 - Present	Ad Hoc Reviewer, <i>The Journal of the American Association of Gynecologic Laparoscopists</i> (now <i>Journal of Minimally Invasive Gynecology</i>)
1995 - 1997	Associate Editor, <i>Video OB/GYN Times</i>

PROFESSIONAL ACTIVITIES - Continued

Editorial Activities Continued

1996 – 2003	Editorial Advisory Board, <i>The Journal of the American Association of Gynecologic Laparoscopists</i> (now <i>Journal of Minimally Invasive Gynecology</i>)
1996 - Present	Associate Editor, <i>International Journal of Fertility and Menopausal Studies</i>
2000 - 2003	Editorial Advisory Board, <i>Fertility and Sterility</i>
2001 – Present	Evaluation Reviewer, <i>Gynecologic & Obstetric Investigation</i>
2001 - Present	Infertility Editorial Advisory Board, <i>ObGyn.net</i>
2003 - Present	Associate Editor, <i>International Journal of Fertility and Women's Medicine</i>
September 2003	Editorial Congress, <i>Medical Crossfire</i>
2003 – Present	Ad Hoc Reviewer, <i>Human Reproduction</i>
2004 – Present	Editorial Advisory Board, <i>Journal of the Middle East Fertility Society</i>

RESOLVE

1984 - 1991	Board Member, Resolve of Northern California
1990 - Present	Physician's Advisory Board, National Resolve
1992 – 2001	Director, National Resolve
1994 – Present	Presenter at multiple meetings and programs for National RESOLVE and Northern California RESOLVE
1995 - 1999	Secretary, National Resolve
1999 - 2001	Treasurer, National Resolve

Endometriosis Association

1988 - Present	Life Member
1992 - Present	Physicians' Advisory Board
1990, 1995, 2005	Invited Speaker, 10 th , 15 th and 25 th Anniversary Conferences
2000 – Present	Reviewer, Research Grant Submissions

PROFESSIONAL ACTIVITIES - Continued

Canadian Association of Internes and Residents

1974 - 1979 President, Member Board of Directors,
 Representative to the American Medical Association-Resident Physician Section,
 Representative to Canadian Medical Association,
 Representative to Canadian Medical Protective Association

Professional Association of Internes and Residents of Ontario

1973 - 1976 President, Vice-President, Board Member

Royal College of Physicians and Surgeons of Canada

1976 - 1980 Representative, Committee on Examinations,
 Member, On-Site Residency Inspections

University of Toronto School of Medicine

1971 - 1973 Class President, Junior and Senior Year

1972 - 1973 Associate Editor, University of Toronto Medical Journal

Industry Consultant (Historical)

Conceptus
Coherent Laser
Heraeus Lasersonics
IBSA
Imagyn
Origin
OvaMed
Searle
Serono
Organon
Syntex
Tap
Vista
US Telemedicine

Agency for Health Care Policy and Research Department of Health and Human Services

1995 - 1996 Reviewer, PORT applications.

Business

1997 - Present Founder, Chairman and CEO, Advanced Reproductive Care, Inc.

PROFESSIONAL SOCIETIES

Fellow, American College of Obstetricians and Gynecologists

Fellow, Royal College of Surgeons of Canada

Fellow, American College of Surgeons

Society of Reproductive Endocrinologists

Society for Assisted Reproductive Technology

Society for Gynecological Investigation

Physicians for Women's Health

AWARDS

1965	Valedictorian, Burlington Central High School
1965	University of Toronto War Memorial Scholarship
1966, 1968	Scholar of Trinity College
1977	Award for the best scientific paper at the Annual Meeting of the Society of Obstetricians and Gynecologists of Canada
1977 - 1978	Ontario Ministry of Health McLaughlin Fellowship
1979	Mead Johnson Perinatal Symposium participant
1979	Honorary Life Member, Canadian Association Internes and Residents
1980	Distinguished Service Award, Canadian Association of Internes and Residents
1991	Pacific Coast Fertility Society Annual Meeting, Best Paper by a Practicing Physician
1993	Pacific Coast Fertility Society, 2nd Prize poster presentation
1995	Honorary Award for service from the Endometriosis Association
1997	<i>Good Housekeeping</i> , August 1997, "The Best Doctors for Women"
1998	Honorary Member, Pacific Northwest Obstetrics and Gynecology Society
1990 - Present	National Registry of Who's Who In America
1999	Life Member, Who's Who in America. National Registry #68996 and #68996
1999	Resolve Special Recognition Award for Lifetime Contributions
2000	Who's Who in American Business: A Guide to Leaders in the New Millennium.
2000	San Francisco Magazine, The Best Doctors
2001 - 2004	San Jose Magazine, The Best Doctors
2001	Kingston's National Registry of Who's Who
2001- 2002	American Registry of Outstanding Professionals
2002	Child Advocates Award as sponsor
2003	San Jose Magazine, Women Making A Mark award as sponsor
2005	RESOLVE, Friend of RESOLVE.
2006	Santa Clara County Medical Association. Outstanding Achievement in Medicine

INVITED SPEAKER (Selected)

1. *The birth process; progress and problems.* University of California at San Francisco. May 1981.
2. *Combined male and female factors causing infertility.* American College of Surgeons, Northern California Chapter Annual Meeting. May 1981.
3. *The Infertile Couple.* American Academy of Family Physicians. San Francisco, California. September 14, 1987.
4. *GnRH agonists in the treatment of endometriosis.* Endometriosis Association Tenth Anniversary Meeting, Milwaukee, Wisconsin. September 1990.
5. *GnRH Agonists: Current and Future Therapies.* American College of Obstetrics and Gynecology. San Francisco, California. May 1990.
6. *Endometriosis.* Syntex Annual Women's Healthcare Roundtable, January 1991. Monograph published March 1991. Pgs. 147-159.
7. Syntex Annual Women's Healthcare Roundtable. Washington, D.C. February 7-9, 1992.
8. Dartmouth College Winter Symposium on Ethics and Regulation of the Assisted Reproductive Technologies. Lebanon, New Hampshire. February 9-10, 1996.
9. *Ethics in obstetrics and gynecology.* San Francisco Gynecological Society. San Francisco, California. January 14, 1997.
10. *DEBATE: Treatment of endometriosis associated infertility – surgery versus IVF.* 10th World Congress on In Vitro Fertilization and Assisted Reproduction. Vancouver, B.C., Canada. May 24-28, 1997.
11. *New Modalities of GnRH Agonist Treatment: Dose, Duration, Retreatment and Add-Back.* The Society of Obstetricians and Gynecologists of Canada (SOGC) 53RD Annual Clinical Meeting. Halifax, Nova Scotia, Canada. June 20-25, 1997.
12. *Current Oversight of the Assisted Reproductive Technologies in the United States.* Approaches to ART Oversight, What's Best in the U.S.? Centers for Disease Control, the National Advisory Board on Ethics in Reproductive (NABER) and RESOLVE. Washington, D.C. February 12-13, 1998.
35. *How to Develop an IPA or MSO Consortium of Reproductive Endocrinologists.* Infertility Management Conference. Boston, Massachusetts. June 18-19, 1998.
36. *Pelvic Pain and Pelvic Endometriosis.* Grand Rounds, Sparrow Health System Ob/Gyn Department. Lansing, Michigan. June 23, 1998.
37. Pacific Northwest Obstetrical & Gynecological Association 50th Annual Meeting, Stevenson, Washington, July 26-29, 1998.
 - (I) *The Role of Office Laparoscopy in Gynecology*
 - (II) *Laparoscopic Hysterectomy for Myomas*
 - (III) *Hysterectomy and its Alternatives for Benign Disease*
16. *Should There be National Networks for ART Services.* DeCherney Society Dinner Meeting. San Francisco, California. October 4, 1998.

INVITED SPEAKER (Selected) – Continued

17. *A Perspective on Current and Potential Regulation of Assisted Reproductive Technologies in the United States.* Human Reproduction and the Role of International Law: Comparative Regimes and Global Solutions. University of Texas Law Symposium, University of Texas at Austin. February 4-5, 1999.
18. *A 36 year old woman with endometriosis.* Harvard Medical School Grand Rounds. June 1999.
19. *The Truth About Managed Care.* San Francisco Gynecologic Society (SFGS). San Francisco, California. April 13, 1999.
20. *Practical aspects of assisted conception.* 11th World Congress on In Vitro Fertilization and Human Reproductive Genetics. Sydney, Australia. May 9-14, 1999.
21. *Medicine's future: The creation of value through outcomes management.* Peninsula Gynecological Society. Garden Court Hotel, Palo Alto, California. June 15, 1999.
22. University of Colorado Grand Rounds. Denver, Colorado. October 25-26, 1999.
 - (I) *Cost-Effective Treatment of Infertility*
 - (II) *Contemporary Management of Endometriosis*
23. *How Should Success Rates Be Reported?* NIH/Bertarelli Foundation Conference. Bethesda, Maryland. November 19-21, 1999.
24. *ART and the Human Blastocyst.* Serono Symposia USA, Inc. Dana Point, California. March 30 – April 2, 2000.
25. *Creating Value for Physicians, Patients and Payors Through an Infertility Network.* 5th Annual Disease Management Conference. Boston, Massachusetts. September 25, 2000.
26. Pacific Northwest Review in Obstetrics & Gynecology. Portland, Oregon. November 9, 2000.
 - (I) *Contemporary Management of Endometriosis*
 - (II) *When to Proceed to ART, What Procedure for Which Couple.*
27. *Lessons on cost efficacy and safety of ART from national and international registers.* ESHRE Symposium. Lausanne, Switzerland. July 3, 2001.
28. *Lecture 2 PDG: Regulation, Ethics & guideline in the US.* ESHRE Symposium. Lausanne, Switzerland. July 4, 2001.
29. *When to proceed to ART: What procedure for which couple at whose program.* Wayne State University School of Medicine, Satellite Meeting. Mackinac Island, Michigan. August 10, 2001.
30. *Endometriosis: Suppression, surgery, stimulation or ART.* Wayne State University School of Medicine, Satellite Meeting. Mackinac Island, Michigan. August 11, 2001.
31. *Regulation of the assisted reproductive technologies in the United States.* Canadian Fertility and Andrology Society IVF Directors' Meeting. Whistler, British Columbia. October 31, 2001.
32. *USA issues in relation to regulation.* IFFS Task Force World Congress Fertility & Sterility. Melbourne, Australia. November 23, 2001.
33. *Regulation and ethics of the assisted reproductive technologies.* Columbia University School of Law, Society for Law, Health and Bioethics. New York City, New York. January 25, 2002.

INVITED SPEAKER (Selected) – Continued

34. *Surgical Therapy*. VII World Congress on Endometriosis. San Diego, California. February 26, 2002.
35. Argentine Endometriosis Society. Buenos Aires, Argentina. October 31 – November 1, 2002.
 - (I) *Comprehensive Management of Endometriosis and Infertility*
 - (II) *Managing the Challenging Endometriosis Patient with Pain*
 - (III) *Development of a Staging System That Works: The Endometriosis Fertility Index*
36. *Career, Babies and the Biological Clock*. Stanford's Women's Alumni Association. Stanford University, Palo Alto, California. March 12, 2003.
37. *Indicaciones clinicas de ART. Indice de Fertilidad*. RED Latin American Reproductive Society. Punta del Este, Uruguay. March 27-29, 2003.
38. *ART – Law, Regulation and Ethics*. P.A.R.E.S. Society. Philadelphia, Pennsylvania. March 19, 2003.
39. Grand Rounds, Wayne State University, Detroit, Michigan. May 27, 2003.
 - (I) *Regulations, Laws and Ethics of ART*
 - (II) *Management of Intramural Myomas in the Infertile Patient*
38. *Congenital anomalies in ART*. The Teratology Society 43rd Annual Meeting. Philadelphia, Pennsylvania. June 21-26, 2003.
39. *Elective single embryo transfer*. Pacific Coast Fertility Society Annual Meeting. Palm Springs, California. April 2003.
40. *Careers, babies and biological clocks. What modern medicine can and cannot do*. XIII World Congress on IVF Plenary Session. Istanbul, Turkey. May 27, 2005.
41. *Elective single embryo transfer: an American perspective*. XIII World Congress on IVF Plenary Session. Istanbul, Turkey. May 27, 2005.
42. *The International Registry Monitoring ART: Development, Progress and Results*. Second Global Chinese Congress on Reproductive Medicine, Beijing, China. August 5, 2005.
43. Texas ART Society, Austin Texas. August 6-8, 2005
 - (I) *Elective single embryo transfer*
 - (II) *Careers, babies and biological clocks*
 - (III) *Endometriosis, Infertility and ART*
44. *Who and what should be regulated? The USA experience*. Serono Symposia International "Multiple Pregnancy Following Infertility Therapy. A Preventable Epidemic". Santiago Chile August 22-24, 2005.
45. American Society for Reproductive Medicine, Montreal, Quebec, Canada. October 15-19, 2005.
 - (I) *ICMART World Report on IVF 2000: How does the US Compare?*
 - (II) *ICMART World Collaborative Report on IVF 2000*.
46. *Economic Impact of Reproductive Technology*. Southern California Reproductive Center. Beverly Hills, California. October 27, 2005.
47. *Endometriosis*. PCRS Annual Meeting – Indian Wells, CA. April 26-29, 2006

INVITED SPEAKER (Selected) – Continued

48. *Management of Pelvic Pain Associated with Endometriosis*. World Meeting on Gynecologic Pain and Endometriosis. Milano, Italy. May 10-13, 2006.
49. 1st International Congress on Reproductive Medicine. Russian Academy of Sciences. Moscow, Russia. June 8-12, 2006.
 - (I) *Careers, Babies and Biological Clocks: What Medical Science Can and Cannot Do.*
 - (II) *Pelvic Pain and Endometriosis.*
 - (III) *The Truth about Birth Defects and ART.*
 - (IV) *Management of Endometriosis for Infertility.*
 - (V) *ART, Who and What Should be Regulated. The USA Experience.*
50. Improving implantation efficiency: early and late selection. European Society for Human Reproduction and Embryology. Prague, Czech Republic. June 20, 2006.
51. World Congress on Minimally Invasive Gynecology. Dubrovnik, Croatia, June 21-24, 2006.
 - (I) *Management of Infertility Associated with Endometriosis.*
 - (II) *The Contemporary Rose of Laparoscopy in Management of the Infertile Patient.*
 - (III) *Suppression, Stimulation, Surgery or ART.*
52. *How We Get Paid in Private Practice*. SREI Fellows Retreat – Park City, Utah. August 2-6, 2006
53. International Congress of Minimally Invasive Gynecology Surgery. Rio de Janeiro, Brazil. September 27-30, 2006.
 - (I) *Minimally Invasive Procedures before IVF.*
 - (II) *Endometriosis.*
 - (III) *Value Creation: The New Business of Medicine.*
 - (IV) *Controversies in Infertility.*
54. *Surgical and adjuvant medical management of endometriosis in the infertility patient*. Women's Hospital of Texas Grand Rounds. Houston, Texas. October 6, 2006
55. *ICMART Symposium*. American Society for Reproductive Medicine. New Orleans, Louisiana. October 25, 2006.
56. *Resolve Symposium – Journey through Infertility*. Stanford University, Stanford, California. October 28, 2006.
57. *Laparoscopy, in vitro fertilization and endometriosis: an enigma*. Evanston Northwestern Healthcare. December 7, 2006.

PRIOR CLINICAL STUDIES

1. Multicenter study to determine the efficacy and safety of AF0157 for the reduction of post-surgical adhesions after operative laparoscopy.
2. Multicenter study to determine the efficacy and safety of REPEL™ for the reduction of post-surgical adhesions after myomectomy by laparotomy.
3. Multicenter study to determine the efficacy of Oxiplex™ Barrier Film, which is indicated for use to prevent adhesion formation after laparoscopic gynecological surgery. (FzioMed, San Luis Obispo, CA).
4. Multicenter study to determine efficacy of an adhesion barrier film which is indicated for use to prevent adhesions formation after laparoscopic gynecological surgery. (Alliance, San Diego, CA)
5. The Risk of Ovarian Cancer Associated with Infertility and Infertility Treatments. Study to determine whether infertile women exposed to ovulation-inducing agents (OIA's) are at higher risk for ovarian tumors than infertile women not exposed to OIA's. (UCSF)
6. Human Embryo Biopsy for PGD. WIRB Study #1013192 February 3, 2004 thru February 13, 2005 (FRHI, San Jose, CA).
7. Fertility Drugs and Ovarian Cancer Study. Study conducted with University of California, San Francisco. (NIH sponsored).
8. Human Embryonic Stem Cell Project. Study conducted with University of California, San Francisco 2002.
9. Protein P34H detection to identify sub-fertile males without symptoms.

CURRENT CLINICAL STUDIES

1. Reproductive Differences in Asian, Asian-American, and Caucasian Women. Committee on Human Research Study # H11309-25336-01. Conducted by University of California, San Francisco. June 24,2004 thru June 24,2005.
2. A Prospective, Multicenter, Investigator Blinded, Randomized, Concurrent Control Study of the Clinical Efficacy and Tolerability of Two FSH Preparations (Fostimon® Versus Gonal-F®) in Women Undergoing Controlled Ovarian Stimulation for *In Vitro* Fertilization (IVF) (IBSA sponsored). 2005
3. Anastrozole Multiple Dose - A Phase II, Prospective, Randomized, Double-Blind, Placebo-Controlled, Multicenter, Dose Finding, Comparative Study for the Evaluation of the Aromatase Inhibitor Anastrozole (Multiple-Dose) versus Clomiphene Citrate in Stimulating Follicular Growth and Ovulation in Infertile Women with Ovulatory Dysfunction (Serono sponsored). 2005
4. Safety and effectiveness of the Viacyte oocyte freeze and thaw media for the manufacturing Of oocytes for future use in assisted reproductive technology. ViaCell, Inc. 245 First St, 15th Floor Cambridge, MA 02142 617-914-3400 / Serono, Inc One Technology Place Rockland, MA 02370 781-982-9000. Study Product: ViaCyte Oocyte Protocol Number: VRH-01
