

TO ORDER DONOR SPERM

PROVIDING ADVANCED REPRODUCTIVE HEALTH
CARE IN A SUPPORTIVE ENVIRONMENT

Due to the requirements of CA tissue bank licensing we will only accept specimens from the sperm banks listed below. These sperm banks have profiles containing detailed information available for your review.

The cost will vary depending on the facility's fees per vial and the shipping fee for each delivery. It takes at least **three** business days to ship sperm. Overnight Federal Express delivery is available.

Please follow these steps when ordering donor sperm:

1. It is very important to place your order prior to starting a cycle. Contact the lab or your coordinator for the necessary forms.
2. Obtain a physician's order to order donor sperm.
3. Sign a Semen Storage Agreement in front of FRHI/FPNC representative (notarized signature ok)
4. Send a Donor Sperm Order Form to lab every time new shipment is coming. If we don't have this form on a delivery day we will decline the delivery.
5. Please order a minimum of two (2) vials and not more than six (6) vials.
6. Please have the donor sperm delivered to:
Attn: Andrology Lab
Fertility Physicians of Northern California
2581 Samaritan Drive, Suite 306
San Jose, CA 95124
7. Deliveries are only accepted Monday through Friday, from 8:00 am to 2:00 pm; NO WEEKEND DELIVERIES.
